October 2009 Newsletter

A message from the President.

It is hard to realize summer is gone and the fall season has begun. On an absolutely glorious day, the August Island Picnic was a big hit with many of our members as the delicious barbecue and excellent covered dishes were devoured. Thanks to all who helped make this such a success. Fortunately, we were able to determine that most of those attending were definitely smarter than a fifth grader. The winning team members received free tickets to the Hiwassee River Watershed Coalition trout dinner held at Poteete Park Pavilion, which was a very successful fundraiser for the HRWC.

Two upcoming events include the fall lakeshore cleanup on the 3rd of October (meeting at Poteete's at 9:00 AM) and our Fall Education meeting on October 15th. The education meeting promises to be very informative, and will afford another opportunity to be together as an association.

With all our addresses changing, we are in the process of updating records and we need everyone's help. Please provide the information we have requested on the back of the newsletter. There are three ways to do this. (1) You can call Debbie Folmer at 706-835-5926, or (2) complete it and mail it to LNIA at PO Box 2033, Blairsville, GA 30514, or (3) email the changes to Glen Boland (boland4768@windstream.net).
